About Equinox Healthtech

Equinox Healthtech is a healthcare technology company dedicated to delivering innovative, data-driven solutions that improve financial performance, operational efficiency, and patient outcomes across the healthcare ecosystem. As a growing healthtech organization, we operate in a regulated environment where accuracy, accountability, and strong financial controls are essential.

Position Overview

Equinox Healthtech is seeking a highly organized and detail-oriented Accounts Receivable / Accounts Payable (AR/AP) Specialist to support our fully remote finance operations. This role is responsible for managing end-to-end customer billing, collections, vendor payments, and transaction processing while ensuring accuracy, compliance, and operational efficiency. The ideal candidate has experience working remotely, strong accounting fundamentals, and prior exposure to healthcare, healthtech, or technology-enabled service environments.

Key Responsibilities – Accounts Receivable (AR)

- Set up and maintain customer accounts within the accounting system
- Review contract terms to validate billing schedules, pricing, and payment terms
- Generate and distribute customer invoices
- Post and apply payments (ACH, wire, check, portals)
- Reconcile customer accounts and resolve discrepancies
- Monitor AR aging and follow up on balances
- Collaborate with internal teams on billing issues
- Maintain audit-ready AR documentation

Accounts Payable (AP)

- Set up and maintain vendor records
- Review and validate vendor invoices
- Code invoices to appropriate accounts
- Process vendor payments
- Reconcile AP aging and resolve issues
- Review expense reports and credit card transactions
- Maintain audit-ready AP documentation

Month-End & Accounting Support

- Assist with month-end and year-end close
- Reconcile sub-ledgers to general ledger
- Support accruals and reporting
- Assist with audits and compliance reviews
- Improve AR/AP workflows and automation
